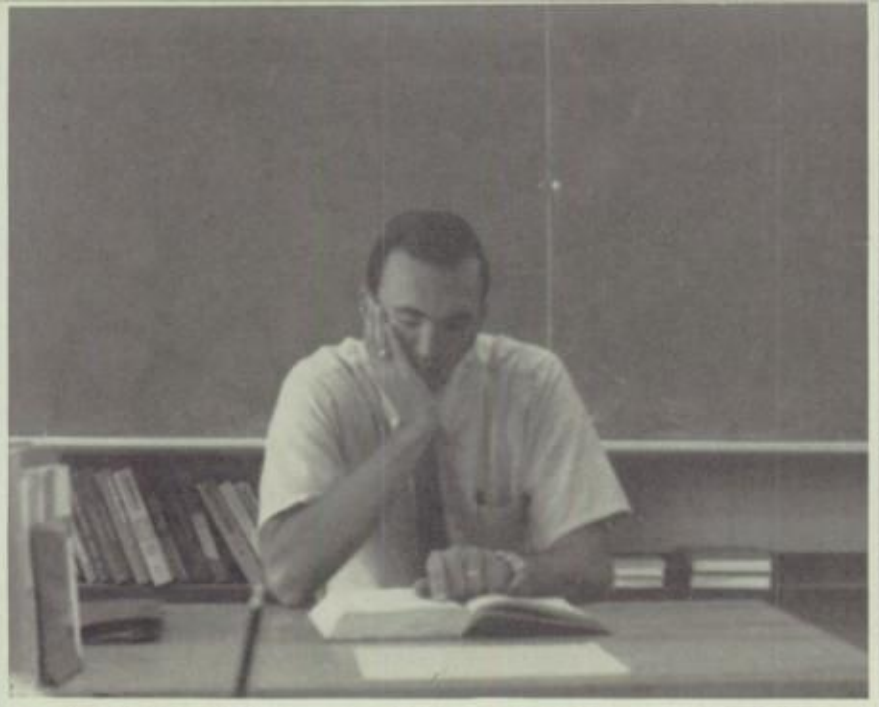
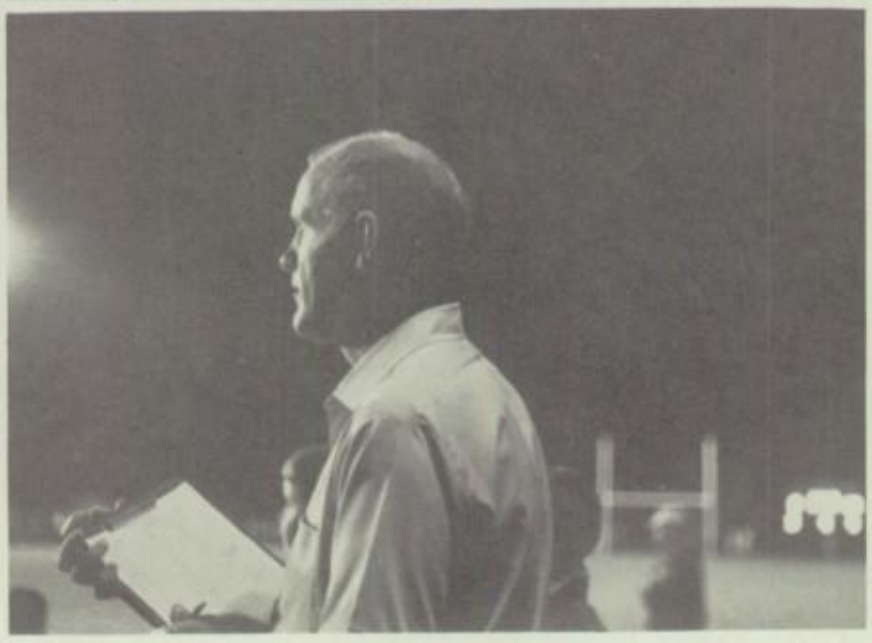
The people on this page have contributed to the growth and development of the Heath city schools. Their concern in providing fine educational programs and facilities is to be appreciated. Our educational opportunities are the result of their untiring efforts to make the dream of quality education a reality.





Faculty And Administration

The faculty and administration of Heath High School have the responsibility of preparing each student for his future. The varied backgrounds of the faculty offer the students a more diversified outlook on life. Through their own personal experiences and knowledge, the faculty and administration influence the future of the students by offering them a wide range of learning experiences.

A good high school seeks to broaden a student's interests and to prepare him for a better life; prepare him not only academically, but socially, culturally, and physically. For a school to do this a new auditorium, a large library, and a well equipped gymnasium are nice but entirely useless without the teachers and personnel to teach and to help the student.

A student needs knowledge in other areas besides academic studies. If he is to become a well-rounded being, he needs to develop his talents. These teachers seek to teach the student skills that he might be able to live without, but ones that will enable him to live a fuller, more self-sufficient and productive life.

ENGLISH

Better communication: this is the goal of the English department. Whether the vehicle of communication be writing, formal speaking, reading, or everyday conversation; it is the aim of these teachers to aid in the exchange of ideas. All other skills are inadequate without the ability to express and understand an idea.

Mathematics

Looking at the subject from all angles one can readily see the importance of mathematics. In many careers, as well as many areas of daily life, a knowledge of math is not a luxury but a necessity. And when it comes to mathematics one can always count on these teachers.

Science

Science tries to satisfy man's curiosity and to give him the knowledge necessary to build a better civilization. Teaching about the universe within four walls is not an easy task. These are our instructors of science fact.

SOCIAL STUDIES

Social Studies is the study of man's past and present in an attempt to improve his future. These teachers seek to arm the student with the insights gained from the study of history. And they endeavor to enlighten the student about his country, in order that he might be a better citizen.

LANGUAGE

If a person is ever to fully understand his language and his culture, he must have something to compare them with. These teachers attempt to teach the student about a language and culture different from their own.

BUSINESS

One does not have to be actively involved in business to need skills such as typing, bookkeeping etc. These teachers seek to give the student the skills he will need not only in the business world but in daily life.

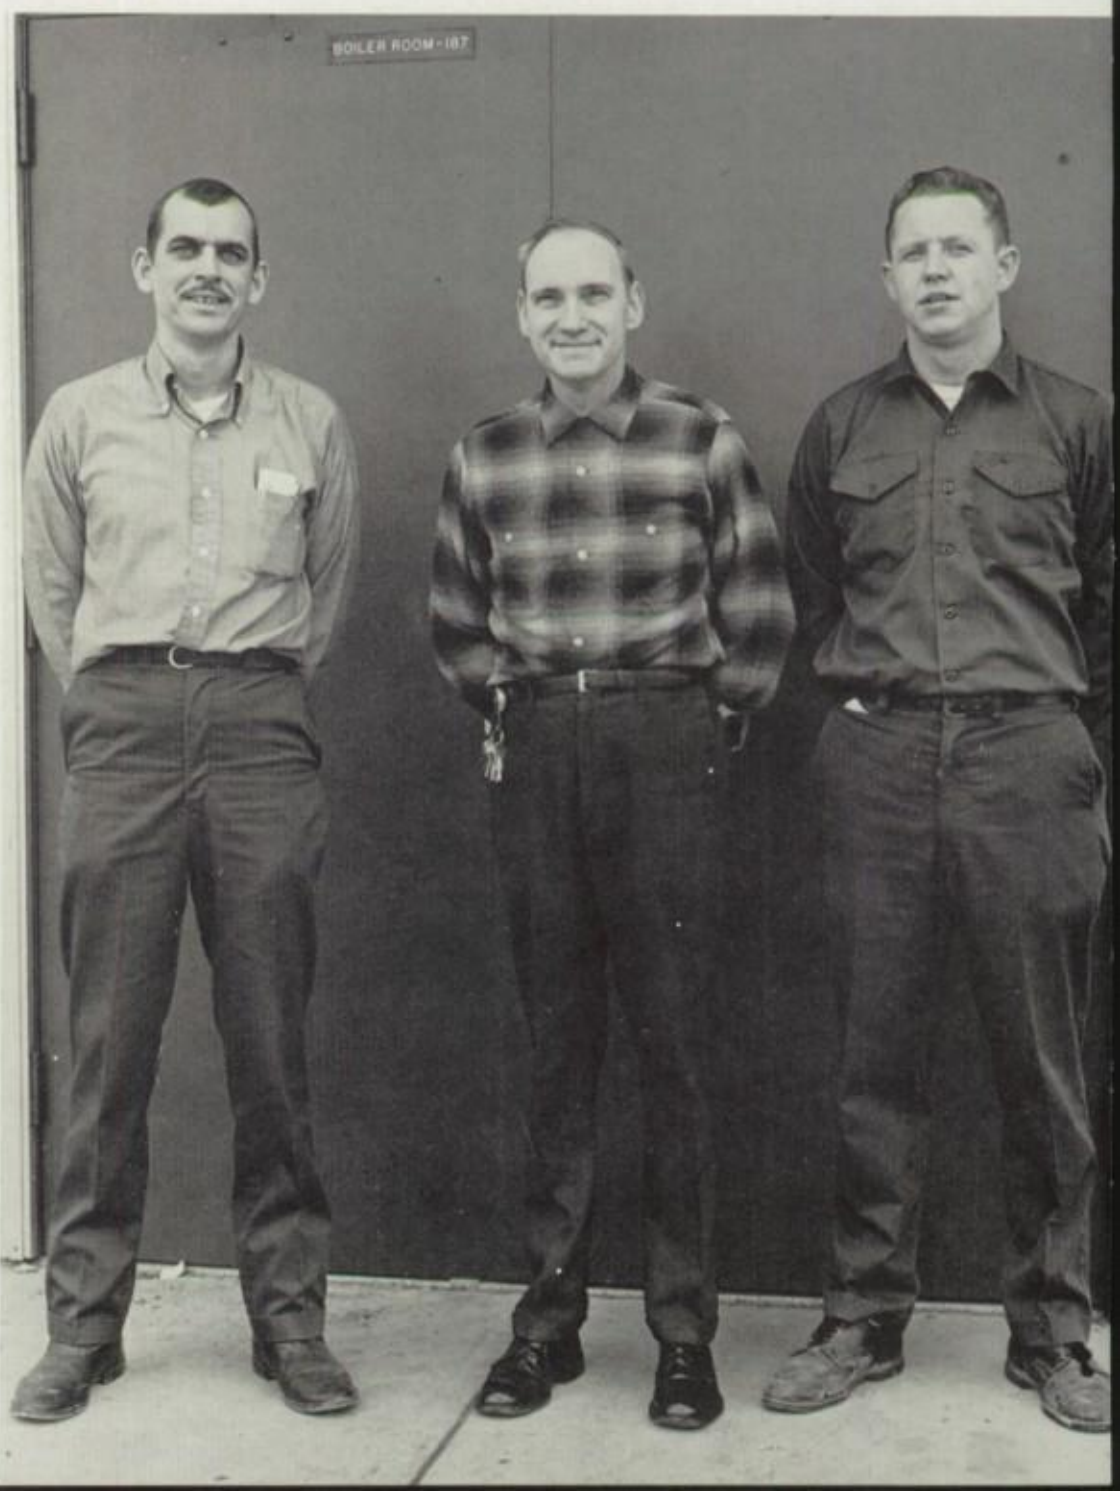
Service Personnel

Ladies of the cafeteria, (left to right): Ginny Van Winkle, Mabel Channel, Marge Conner, Peg Harris. Absent from photo: Naomi Osborn

You can't learn or teach when your hungry. The task of these ladies is to prepare suitable lunches for hundreds of people.



The proper atmosphere is important for a school. The task of these gentlemen is to help maintain a positive atmosphere by keeping the school clean and in good repair.

Custodians, (left to right): John Baucher, Paul Brown, Bernard Shirley. Absent from photo: Robert Foxall.

School Life

Through the activities of the clubs and organizations, students found learning experiences as meaningful as those found in the classroom. With the wide variety of activities, each student was offered an opportunity for participation. Students also enjoyed participation in social events, such as, Homecoming, Prom, the fall and spring plays, and the musical production of "My Fair Lady".

Student Council

This was the ninth year of the Heath High School Student Council. A primary concern of Council this year was questions pertaining to Heath High's dress regulations. Council decided that a definite dress code was not needed.

However, it was apparent, that for changes in dress and other school regulation, that a definite procedure was needed. Therefore, Student Council, the faculty, and members of the student body formulated a procedure for change. It was by this procedure that the dress regulations were changed so that girls are now allowed to wear slacks to school.

Another major project of Council this year was the writing of a constitution for the Election Board. This document refined and stated the procedure which have been used here for high school elections the last four years.

In the elections held in the spring, Steve Mershon was elected Vice-president of Student Council for next year. He will serve under President JoAnne Clutter.

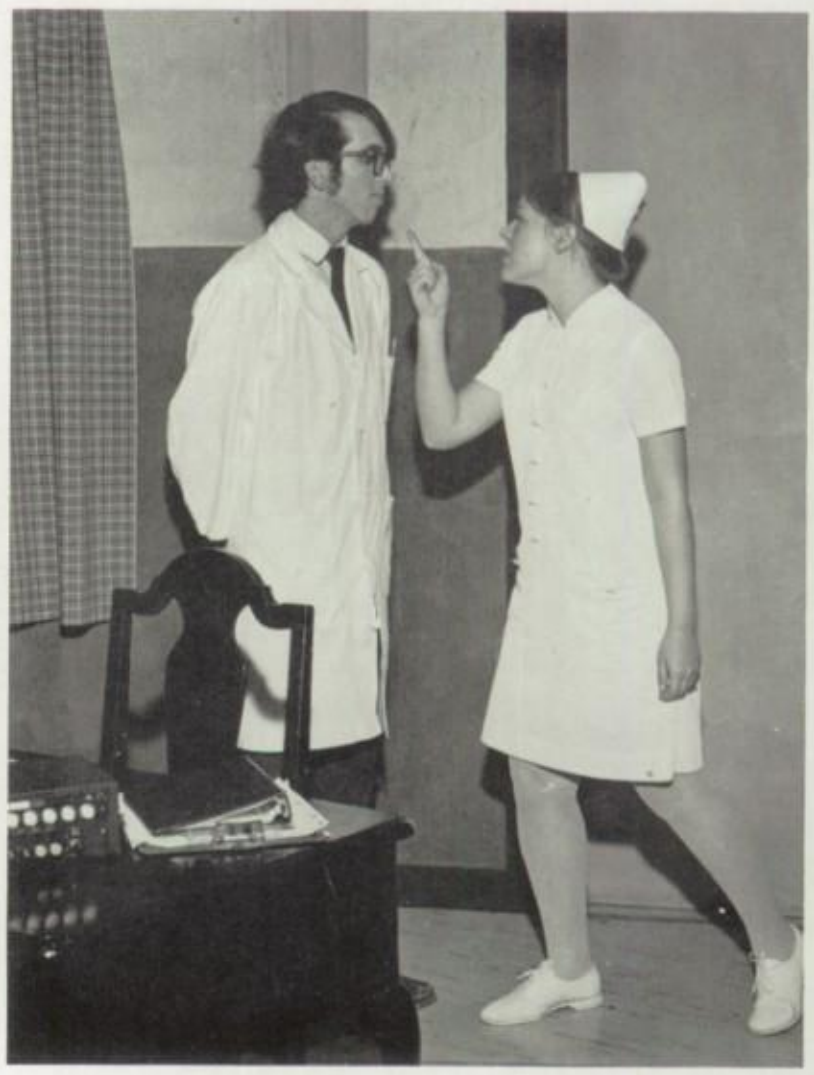
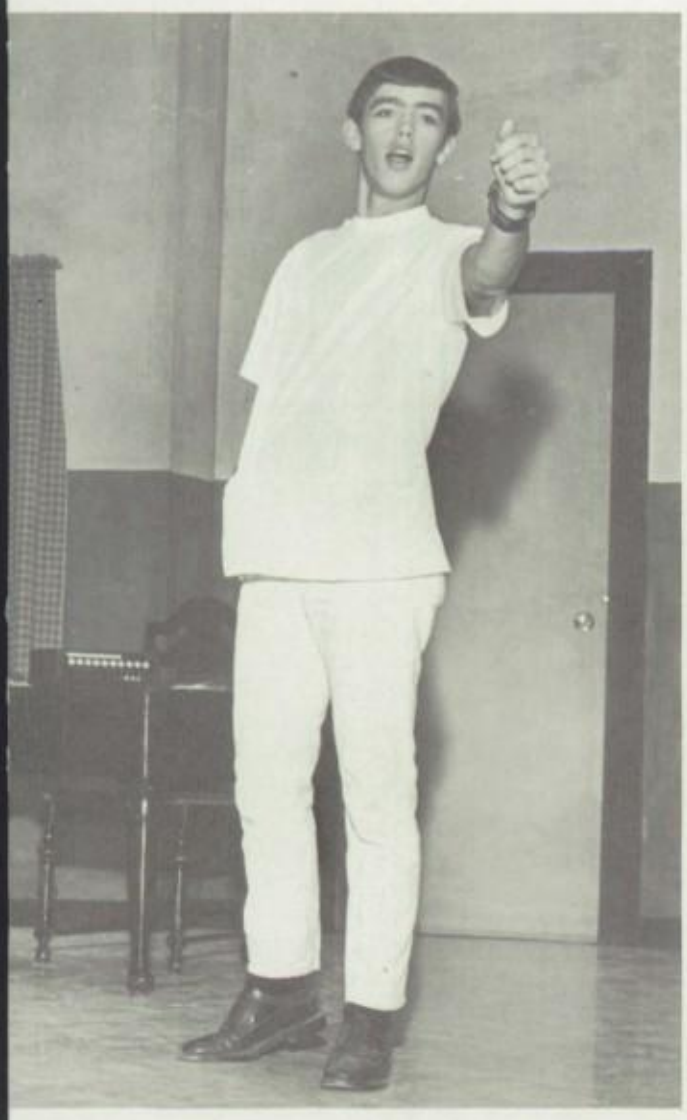
HARVEY

Now let me tell you something!



Let me take your coat off for you mother.

Water under the dam. This is how I see the thing.



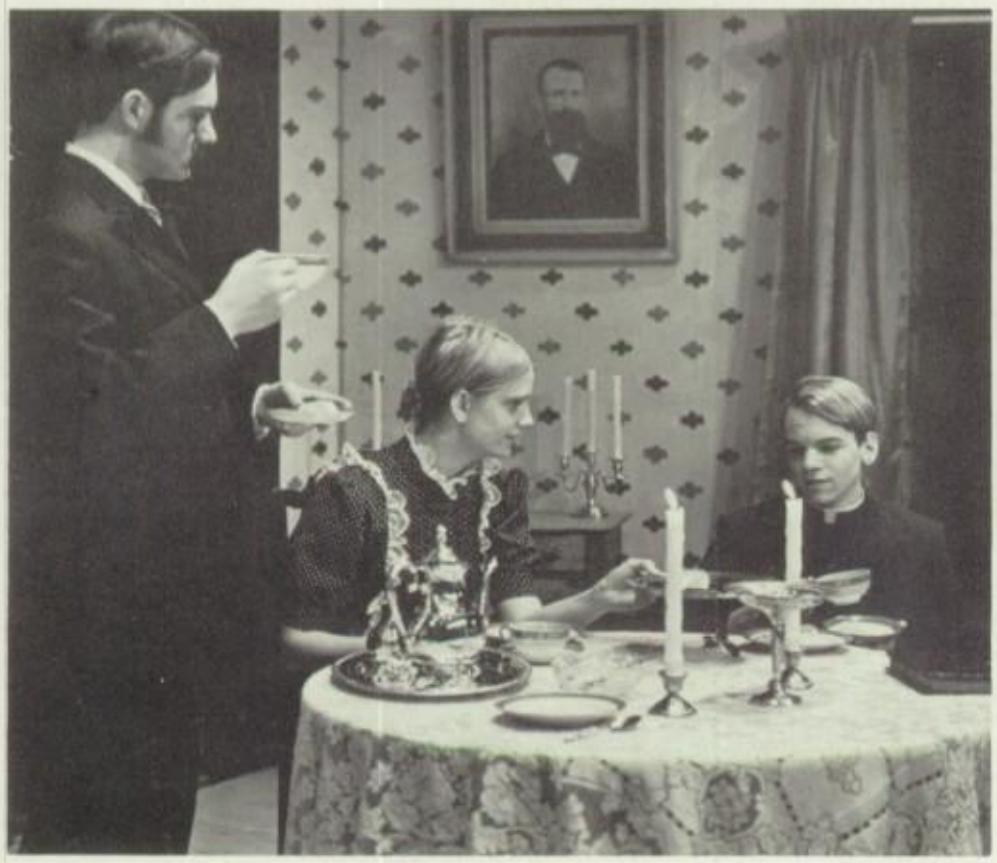
I jumps out in front of her and says...!

Beth makes it a hare lighter.

This year's Fall play was HARVEY, a delightful comedy by Mary Chase. It was performed November 20-21. The tale is about Elwood P. Doud best friend is a six-foot invisible rabbit. The story the not-so typical life of Dowd, his sister Veta Louise Simmons, and her daughter Myrtle Mae. Oh yes! Harvey, your dinner is getting cold.

Sometimes they see birds, when there ain't no birds.

First row: Debbie Ward, Judy Weiser, Steve Trager, Susan Wyant, Rick Weiser, Kathy Swank, Mike Brown, Pat Finkle, Carol Ramsey, Jeff Hamm. Second row: Stephanie McFetridge, Tim Ward, Steve Wilkin, Jan Detty, Jeff Booth, Karl Anderson, Alan Felumlee, Todd Davis, Jon Landrum, Phil Mundt, Mrs. Swank.



Won't you have another biscuit Dr. Harper?

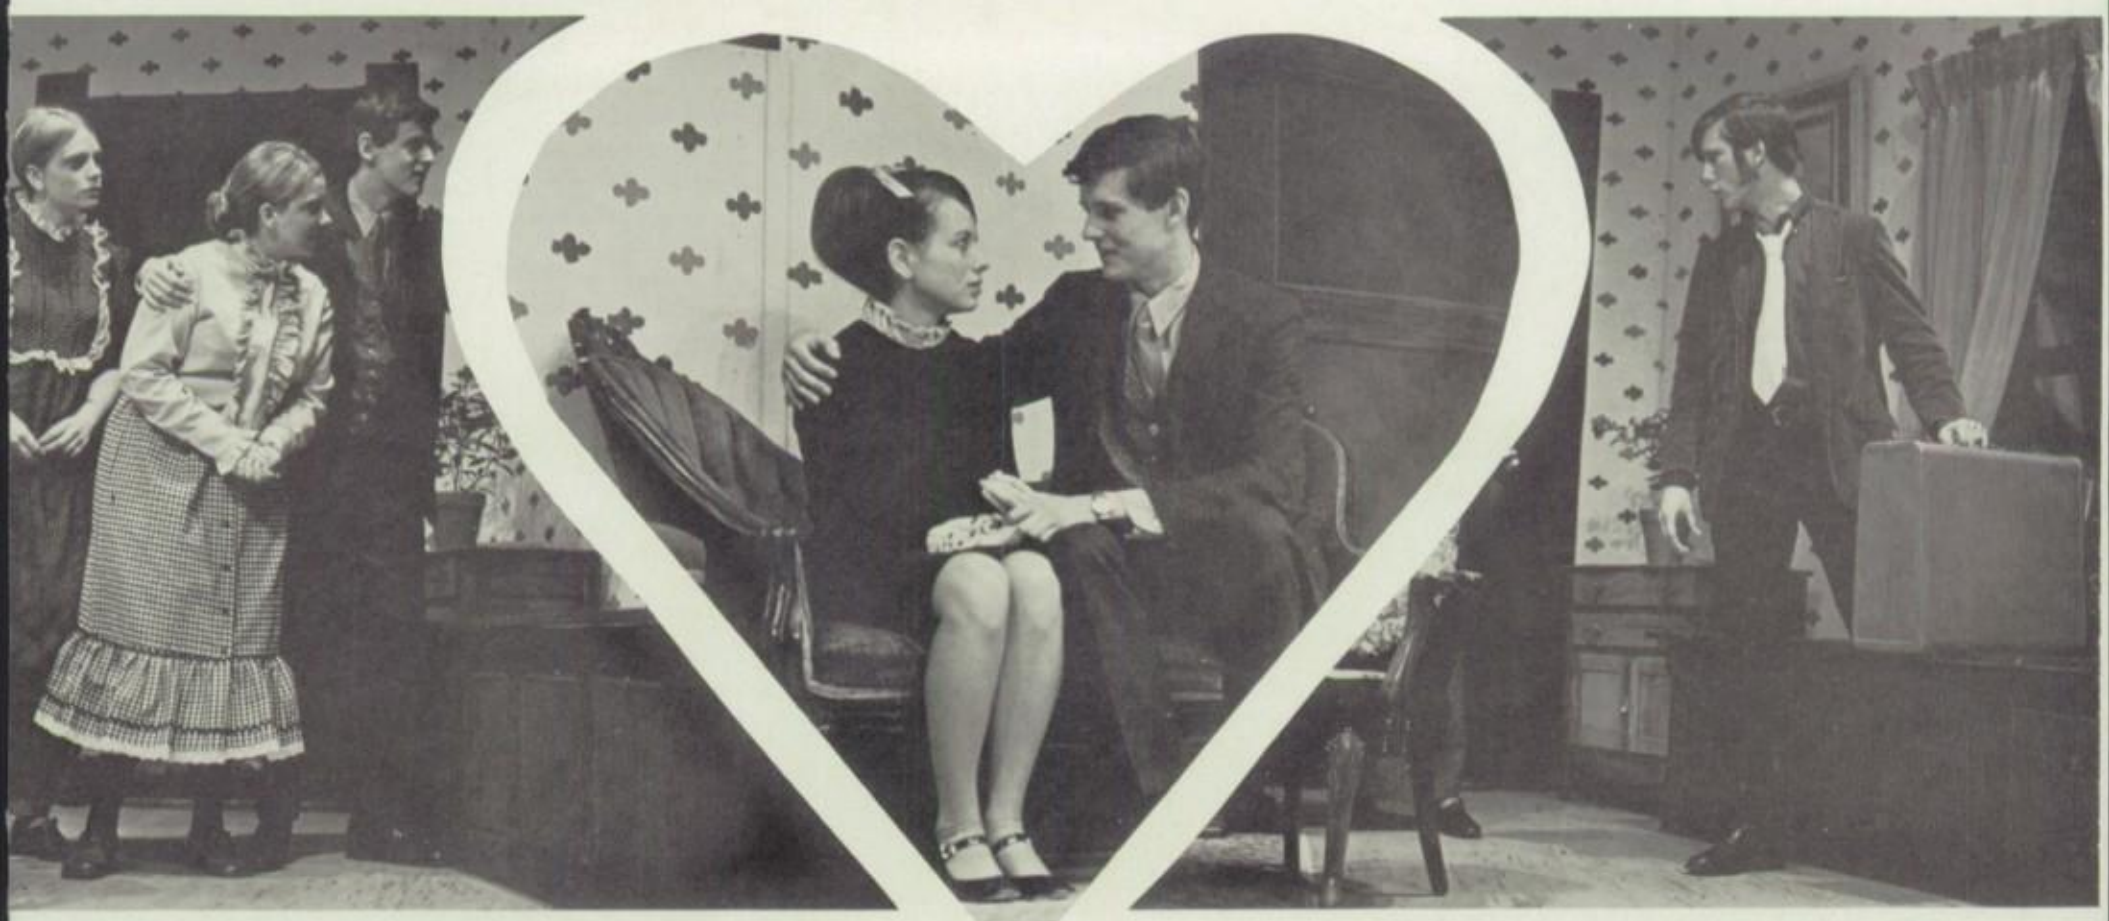
He's really quite good looking.... considering he's a Methodist.

ARSENIC AND OLD LACE

ARSENIC AND OLD LACE was the third and final production of the year. This play is about two old maids Martha and Abby Brewster, who had an unusual hobby. They poisoned elderly gentlemen that they rented their room to. This was the last effort of twelve Seniors.

But the "Oregon" goes to Australia!

A trip to Panama.



Look at her leaping over those gravestones.

I'm afraid we don't keep Brooklyn hours...

No...Here it is!

How do you like it so far?

This year, Heath's much improved football team defeated Newark Catholic, who, at the time, was rated No. 2 in the state. In so doing, the Bulldogs triumphantly broke Newark Catholic's 36 game winning streak.

The unbeatable cross country team succeeded in capturing its second consecutive county and district championships. They also placed 4th in the state meet.

The hard working track team won its 5th championship in 7 years and extended its dual and triangular meet record to 28 consecutive wins.

Varsity Football

The big game for the 1970 Bulldogs was the game against Newark Catholic which Heath won 22 to 16. After the Catholic game it looked as though the Bulldogs might have their first winning season. But the Dogs could not put much together after that game.

The 1970 Bulldogs finished the season with a 3-6-1 record. Maybe next year the Bulldogs can get their first winning season.

Fans look on as the last seconds go by in Heath's victory over Newark Catholic.

Coach Brown trying to decide what play to send in next.

Ah, go away.

After losing the first game of the 1970 season to Lakewood the little Bulldogs came back to win the next two games before losing again. This time to Licking Valley. Though Heath had its trouble with Licking Valley the little Dogs ended the season with a 4-3 record.

The Freshmen have three years of Varsity football to look forward to. They also can be a part of the first team at Heath to have a winning season.

4 Cross Country 4

"If you can't win, fourth isn't bad."

I never thought I'd get to be the leader.

When will this running ever stop.

Gene, while wearing a Heath uniform you do not walk.

When a Cross Country team wins all of its triangular and quadrangular meets, two Invitationals, the County, District, extends its dual meet record to 12 in a row, and is fourth in the State, it could safely be classified in most peoples' minds as a successful team. This talented team led by six Seniors and a dedicated Coach, intent on making his team the best, demolished its area opponents en route to their goal of being State Champions. The 70-71 Cross Country team may not be the best team Heath will ever have, and their goal of becoming State Champions did not come true, but they ran and acted as sportsmen in a way the School and community may always be proud.

I hate going down hill.

The 1970-71 Heath Reserve Team, coached by Mr. Swineheart, really gave the fans something to be proud of. Finishing the year with a record of 15-3, the team shows much promise for the future. This year's team had two Freshmen starters who added a lot to the team throughout the year. With the members of this fine reserve team graduating to the varsity squad next year, the students and fans of Heath will have some fine ball teams to look forward too in the future. Finishing second in the LCL, this team is to be congratulated for a job well done.

This year's Heath High Freshman team, coached by Mr. Klontz, finished the season with a 5-8 record. This team was without the efforts of two of their former players, who were moved up to the reserve squad. Although the record shows a losing season, the team put forth much effort.

Looking into the future, this team should live up to this year's reserve team's record with the whole team putting forth full effort and desire. With their combined efforts with the present members of the reserve squad who will be back next year, we can be assured of winning seasons in the future.

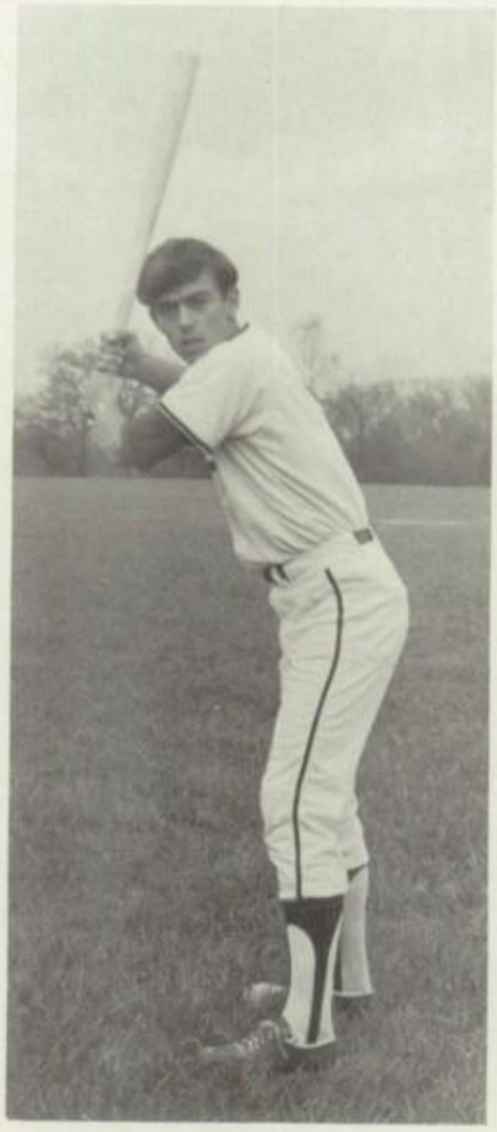
"Hey, did I tell you the one about the baseball coach who. . .

RICK GEMMELL: Two year member of the baseball team.



MARK JOHNSON: Three year member of the baseball team.

ROD REED: Three year member of the team, and was awarded the "Most Valuable Player" trophy.

This year the Heath Bulldogs finished out the season with a 3 and 5 record over all and record of 6 and 11 in the league. Experience was a factor this year, but should not have hindered our record that much. Our pitching was much stronger this year than in the past with Rod Reed, Rick Gemmell, Rod Evens, and Mark Matthews. Our 6 and 11 record tends to be misleading in that we did play several triple "A" schools during the season, and did so in preparation for tournaments.

Even though our record was not that outstanding, this year did prove to be a profitable one in way of experience and leadership for next year's ball team.

Keith and Floyd showing the stride that won them First and Second in the County Two Mile.

The 1971 Heath High track team was just another in long line of successful Heath track teams. This year's team was young, since it had only six graduating Seniors. Though young, the team made an excellent account of themselves. The 71 Bulldogs extended its dual and triangular County meet record to 28 in a row, and topped off the year by picking up their second straight Licking County League championship. The outstanding performer of this year's team was Mike Brown, setting school records in the 120 yard high hurdles, and the 440. The greatest amount of credit for the team's successful season should go to the Coach, Don Hardin. Without his encouragement to each person to make him strive to be the best in his event, the 1971 Bulldogs would have been just another County track team.

With determination like that, you wonder how the South lost the war.

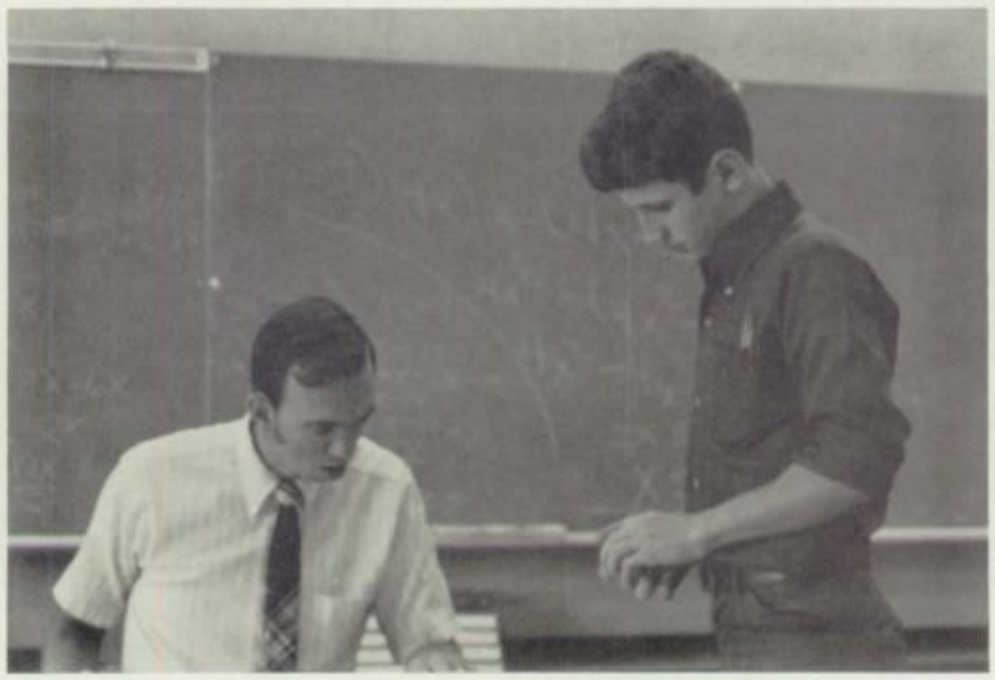
Underclassmen



The first two years at Heath High School are years spent in growing through new experiences. For the Freshmen, this was a year of adjusting to new situations and learning about life at Heath High. The Sophomores developed confidence and began to look forward to their years as upper classmen. Both classes met the challenges of 1971 with determination and contributed their enthusiasm to the spirit of Heath High.

The Class Of 1974

Lori Passman, Treasurer; Mark Skinner, President; Todd Humphreys, Vice-President; Laura Main, Secretary.

The Freshman of the 1970-71 school year experienced many changes from their old familiar ways. They made new and different activities to which they had to adapt.

On January 16, the Freshman held a dance entitled "Beat the Pressure," which featured The Broken Seal. Very little money was made, but the experience they gained was very rewarding.

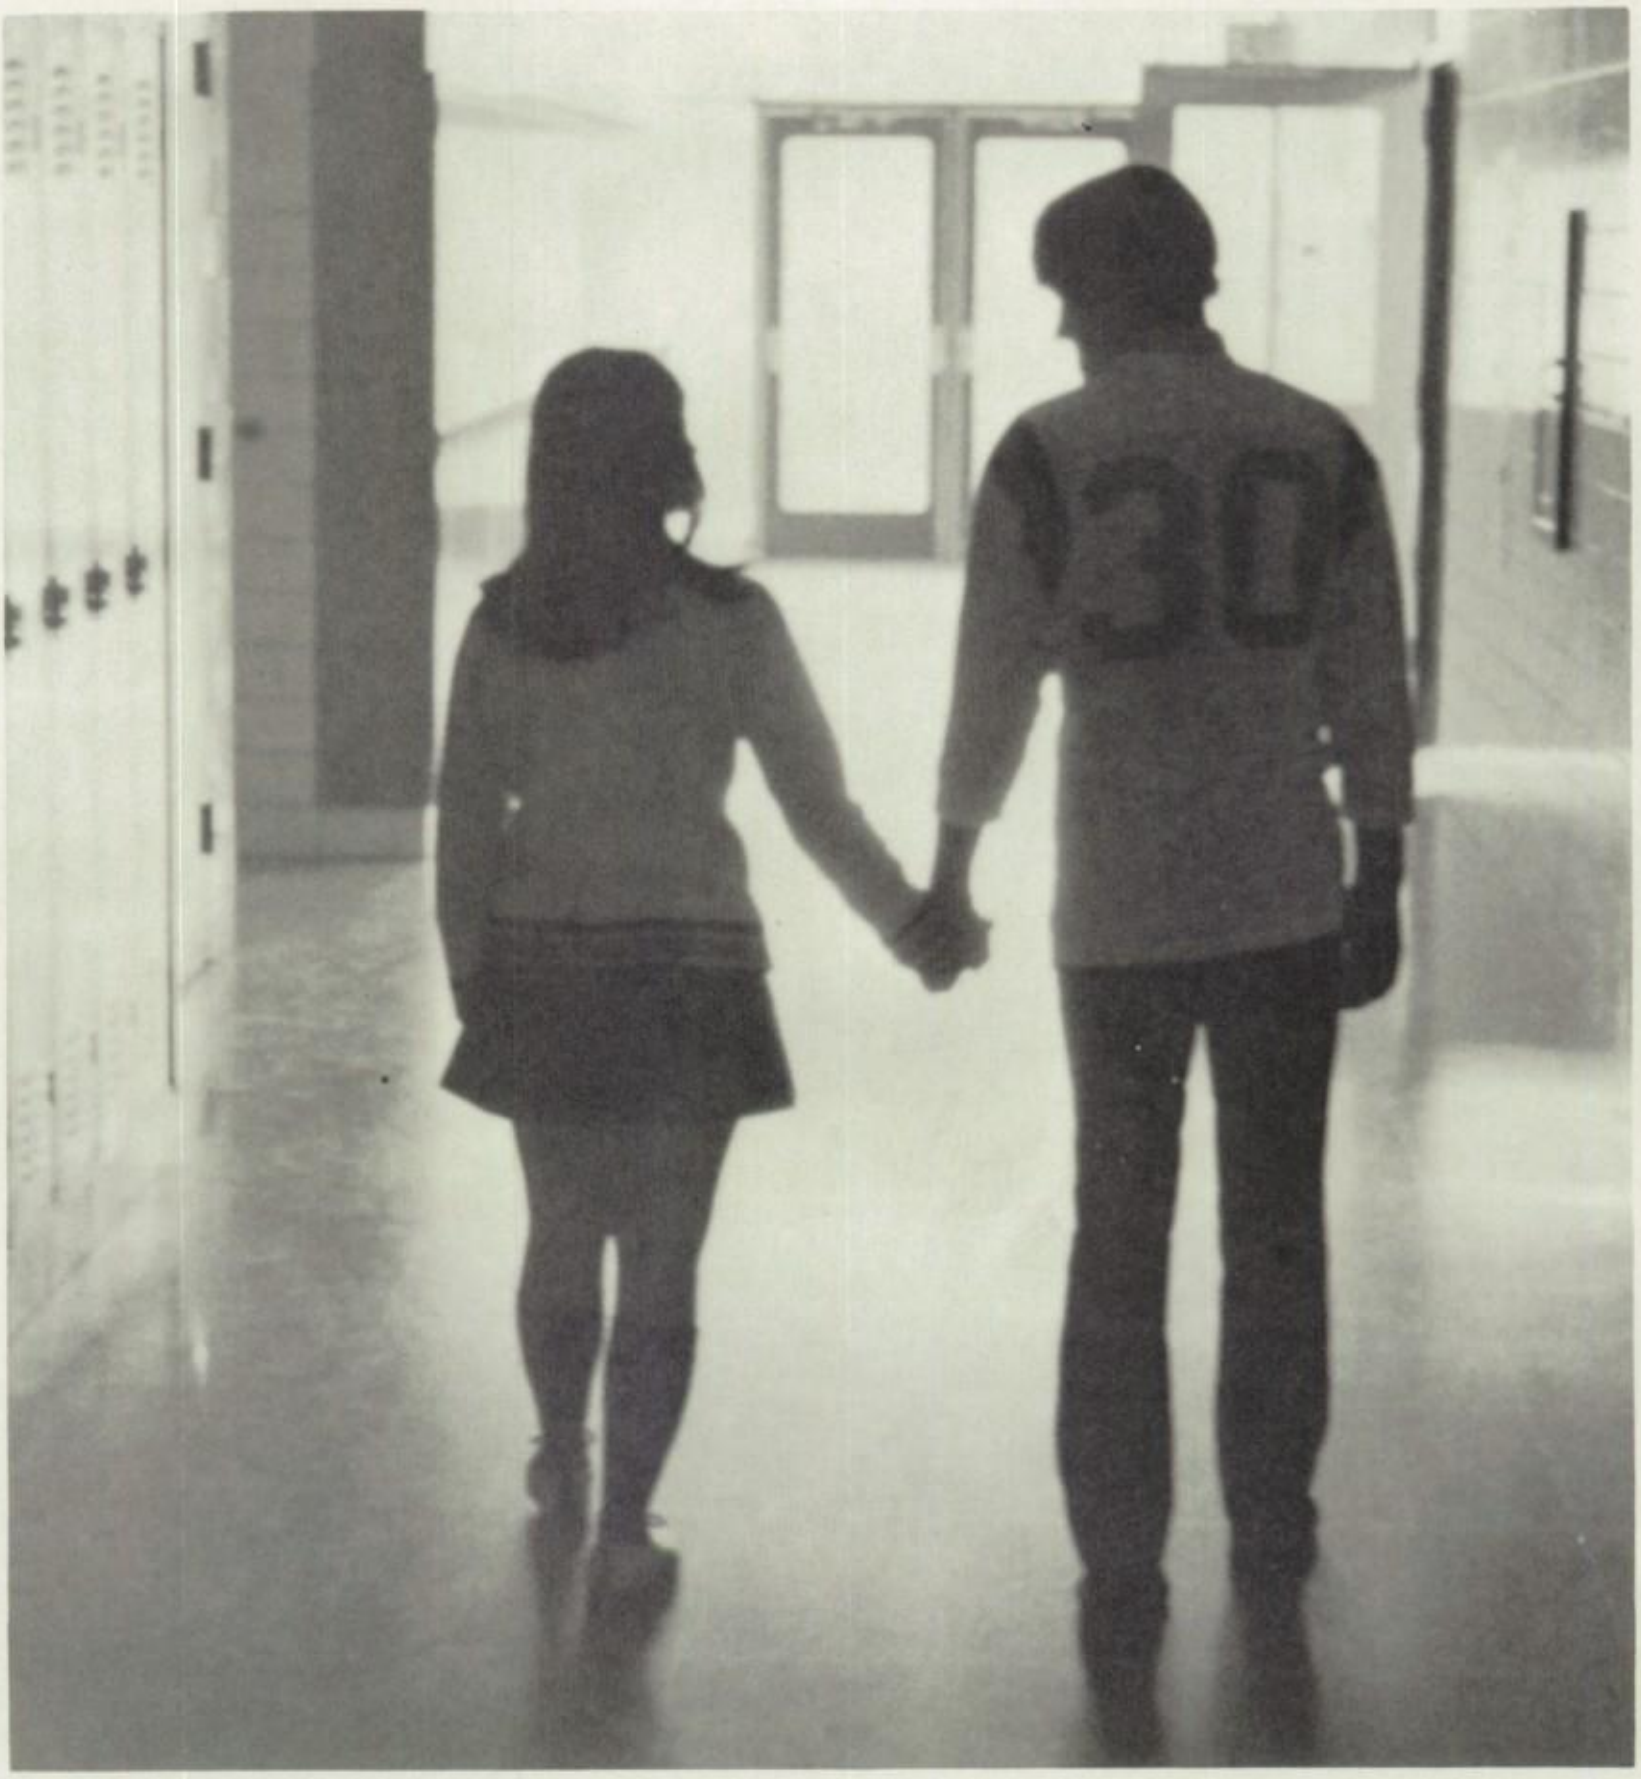
Class Of '72



The Class of "72" has well been rewarded with the success of their Junior Year at Heath High. With preparation and enthusiasm they are looking forward to an unforgettable Senior Year. Their goals will change and improve but their determination can only continue, for they have proved by hard work and integrity that they will be one of the greatest classes to ever be a part of Heath High School.

The Junior Class

Class Officers: Janice Brown, Treasurer; Jeff Bickle, Vice President; Bettie Seaman, President; Mardy Hanlon, Secretary.

This was a year of great preparation for the Junior Class. Their goal was to raise enough money to hold a very successful Prom. To raise money they took charge of the snack bar during the basketball games, and they also sold candy bars.

The Prom was held at the Granville Inn. The theme was an "Evening in Versailles". The decorations were all centered around old English design. The head of the Prom Committee was Tim Allen, who did a very fine job.

Junior Class Advisors: Mr. Gordon, Mrs. Cochran, Mr. Brown, Mr. Epperson, and Mr. Thompson

Seniors: 1971

Senior Class Officers

Senior Class Officers: Dave Hardy, Treasurer; Rick Gemmell, Vice-President; Mark Johnson, President; Chris Wimer, Secretary.

The Class of '71 can certainly be considered well rounded. Many students participated in a number of school events and activities. Regardless of their varied interests, they managed to pull together as a class to work on projects. Homecoming and the traditional bon fire got the year off to a blazing start. The next event of the year the Senior Sock Hop, which this year included some sport activities for the enjoyment of those who attended. Regression Day and a Senior Picnic marked the climax of a truly memorable year. Graduation, our final event, took place June 6, 1971, with one-hundred nine saying farewell to high school days.

Class Colors. . . . . Red and White
Class Flower . . . Red and White Carnations
Class Motto . . . ."Our Hope Is To Better This World-Our Task Is To Complete This Hope"
Class Song . . . . ."We've Only Just Begun"

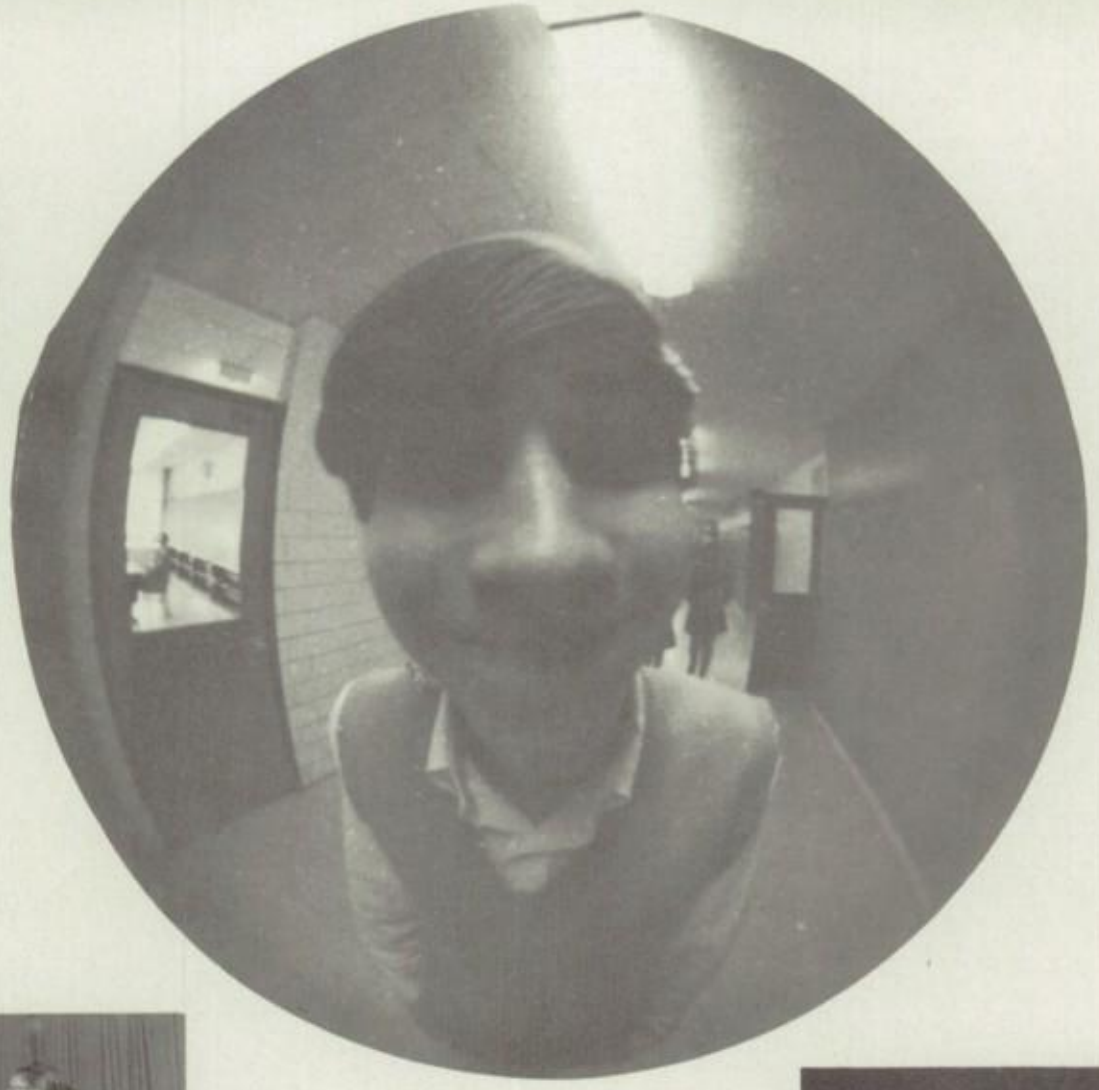
Those were the Days My Friends,

We thought they'd never end. . .

You expect me to drink that?!

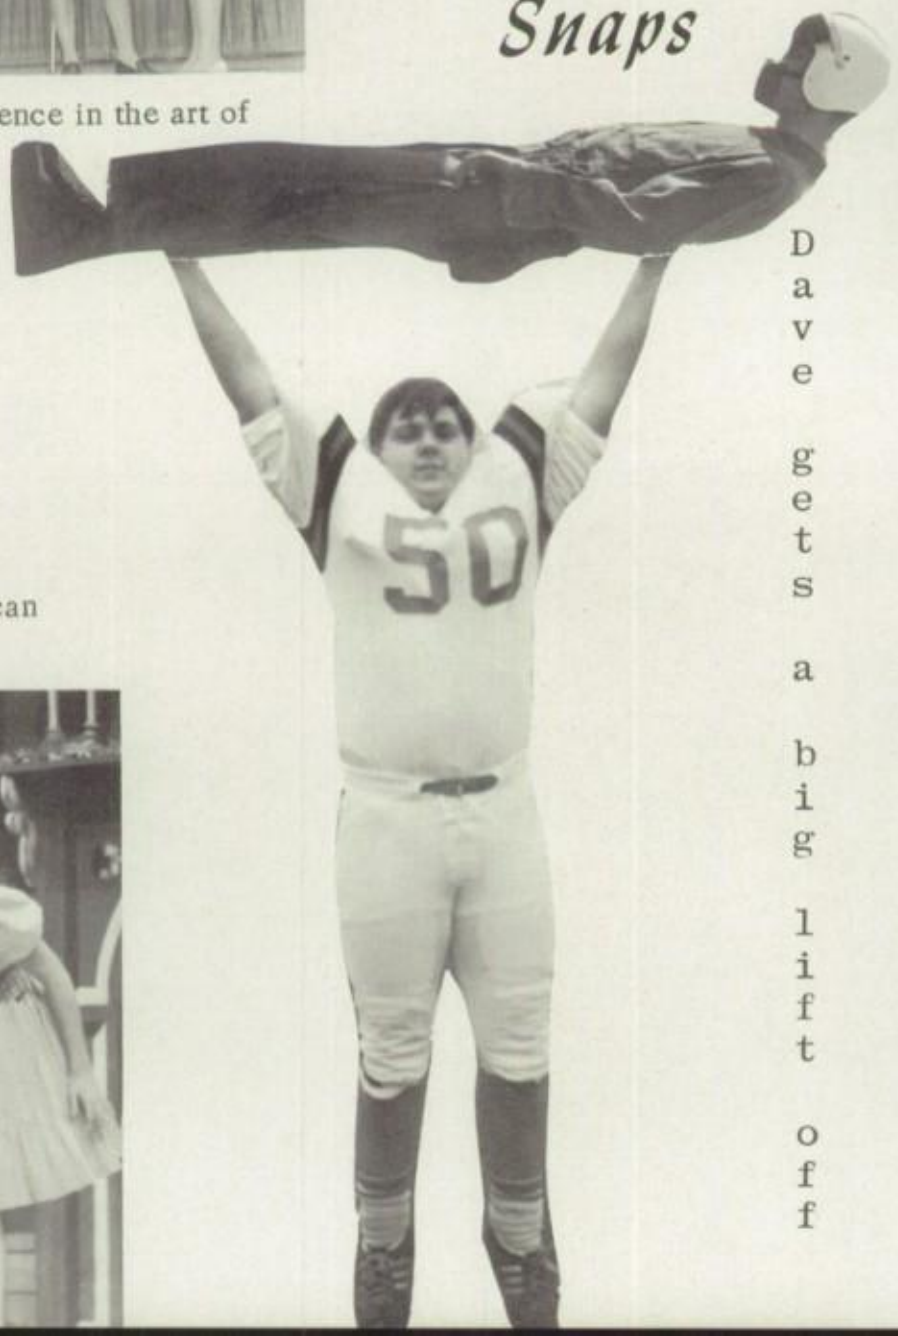


A Dynamic Duo

Kay gains early experience in the art of motherhood.

SPEECHLESS???

Senior Snaps



Dave gets a big lift off

You try that again and I'll belt you.

These underclassmen can frazzle your nerves.

"Gee Carol, I don't know."

Trig. class was a downfall.

Mike always was aggressive.

Rick gets carried away.

Mark Johnson, Best Thespian, receives his silver cereal bowl.

This is a thwell house, but I really must go.

I hope it's something I ate.

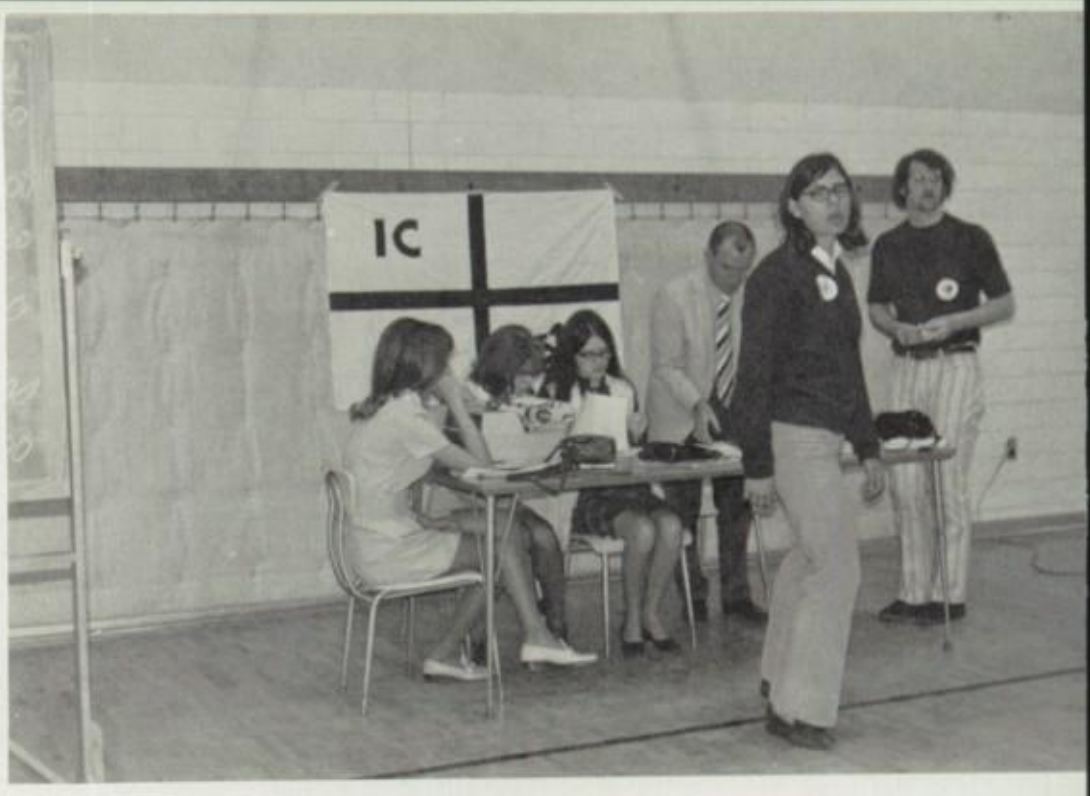
It makes it better when we use live models.

The Galloping Gourmets

Wait until Mrs. Hite sees what we put in our cake.

If we didn't have to wear P.J. 's I'd be a lot faster.

Dangerous parallel Seminar



And you think the U. N. has problems.

WHO'S A NORDO???

Your friendly neighborhood SUPERPOWER.

The Dangerous Parallel Seminar was an exciting addition to the Senior curriculum. Although its duration was only three days, all Seniors took an active part and received valuable experience through this simulation in model government.

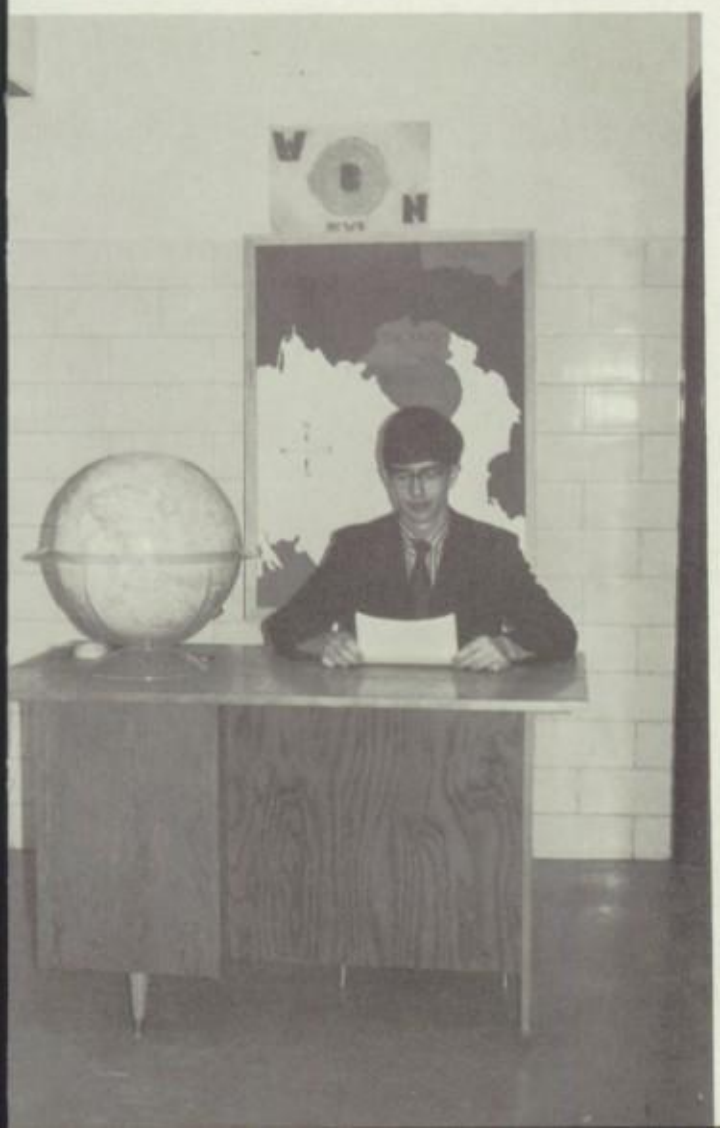
Phil speaks out on you name it.

The peaceful delegation from Land.

Heath's version of Walter Cronkite.



The masses congregate to view an important news special.

Todd's been known to keep unusual company, but really?

The past and present are often times thrown together in the oddest combinations.

Gwen made a point of advertising Brian's strawberry flavored thumb.

The way Gemmell drives it's a wonder anyone would go out with him.

Graduation Day

We live but once. The years of childhood, when once past, are past forever. It matters not how ardently we may wish to live them over; it avails us nothing. So it is with the other stages of life. The past is no longer ours. It has gone beyond our reach. What we have made it, shall remain. There is no power in Heaven or on earth that can change it. The record of our past stands forth in bold and ineffaceable characters, open to the all seeing-eye of God. There it stands and one day we shall give an account of it. The present moment alone is ours. "Now is thy treasured moments possessed unawares. "Today is a day which we never had before, which we shall never have again. It rose from the great ocean of eternity, and again sinks into its unfathomable depths.

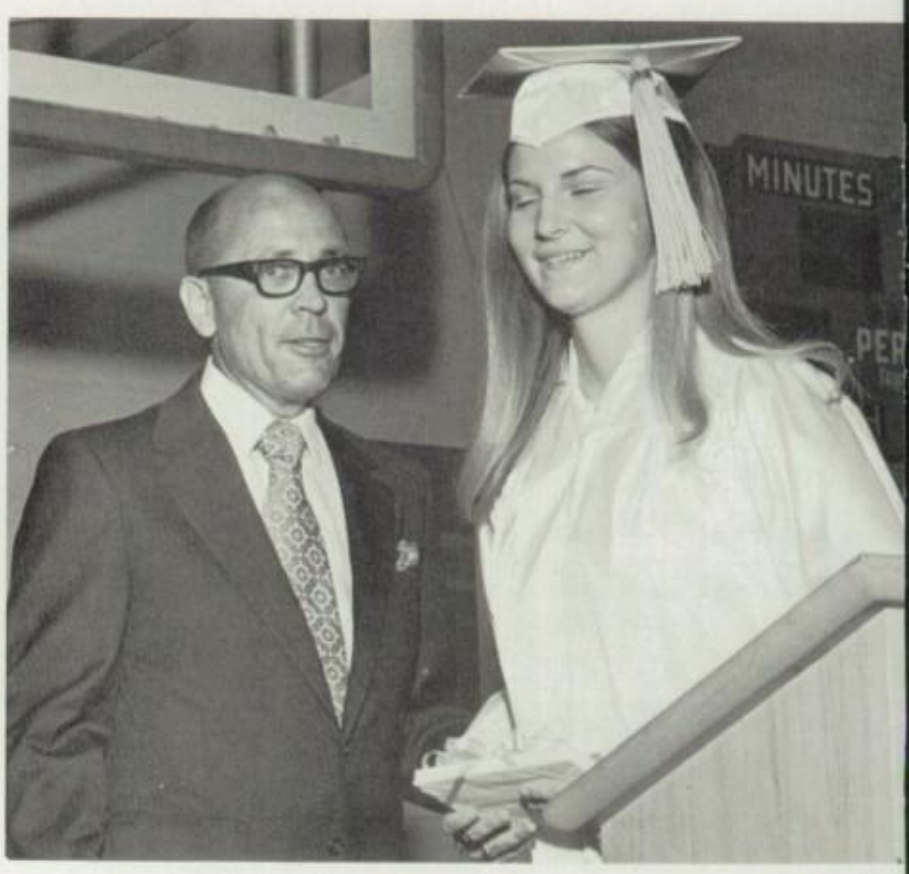
June 6, 1971

DANFORTH LEADERSHIP AWARD: Roger Steven Dodson.



DANFORTH LEADERSHIP AWARD: Sandra Arlene McKee.

Commencement 1971 marked the conclusion of high school days and the dawning of the future for one hundred-nine graduating Seniors. Many realized that this was the last time they would be assembled as an entire class. It was a sad but wonderful feeling to have reached such a meaningful goal in life.

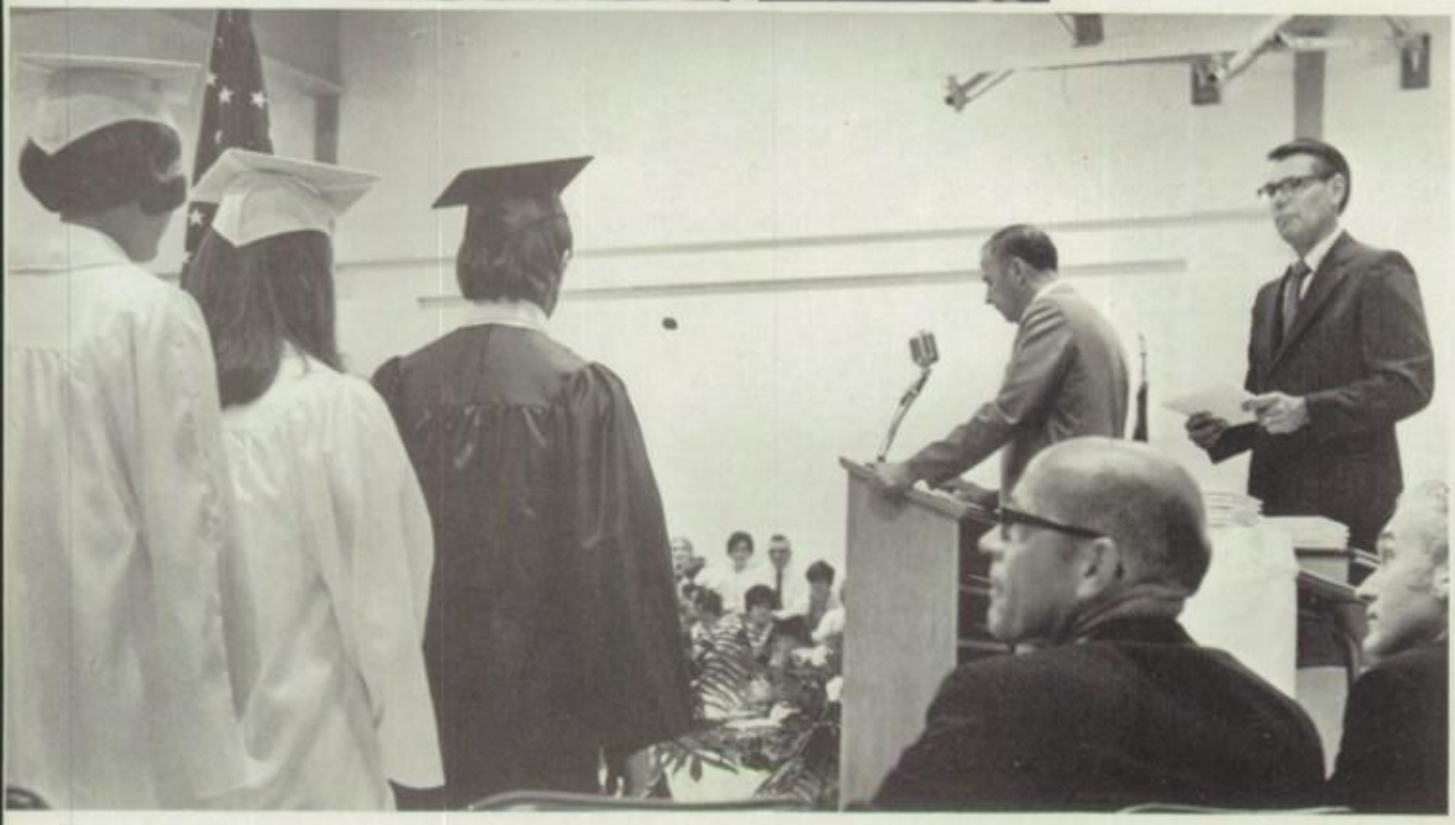
Attention spans vary

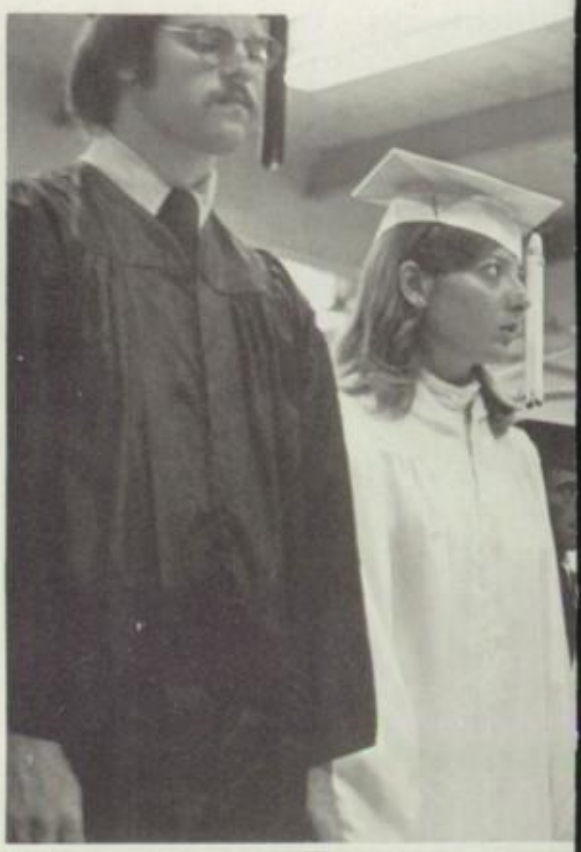
We were scared stiff, but what can you expect from a quick starch job?

Our Seniors sang out for the last time.



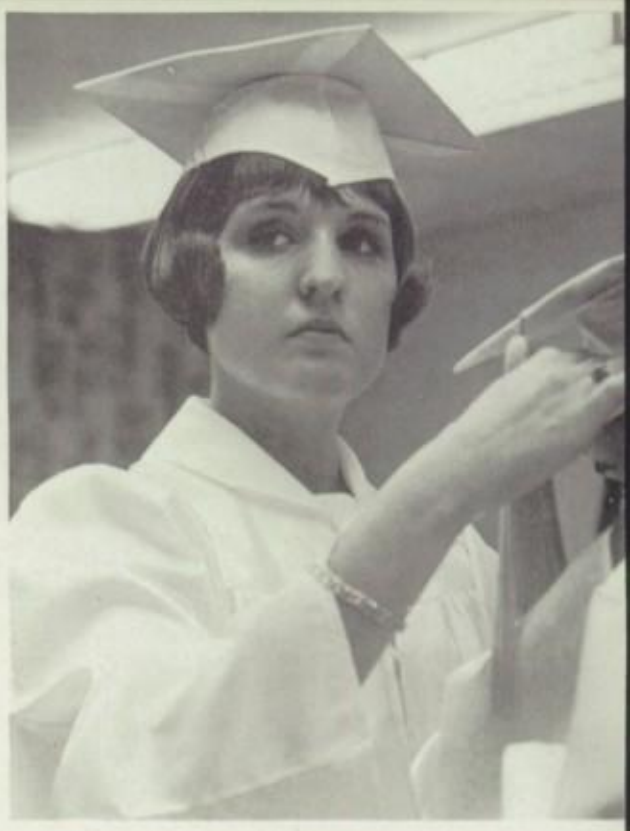
The long awaited moment arrives.

What a time for your deodorant to cop out.

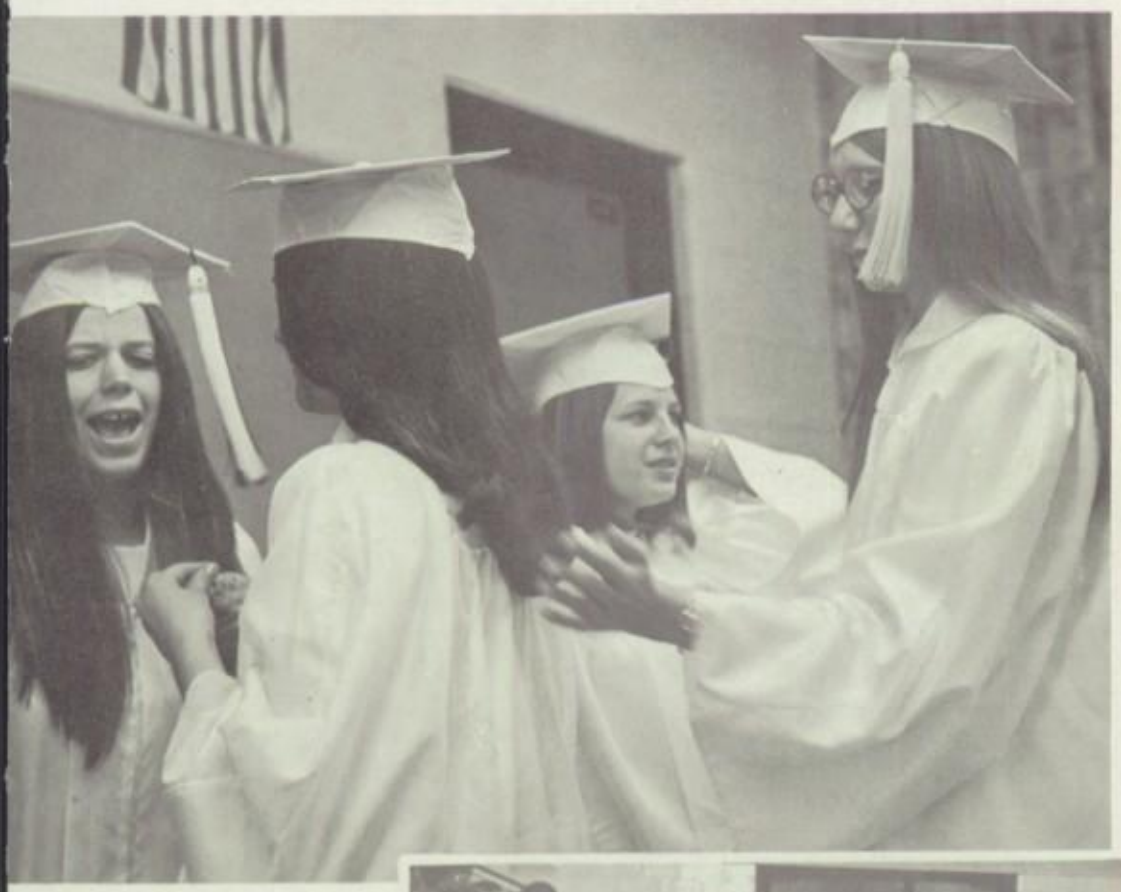


After it was all over we felt a sense of satisfaction.

Your mother dresses you funny.



How disgusting; The lady in the shop told me I'd have the only outfit like this for miles around.



Ninth Annual Commencement

Our class graduated quite a few "LONG HAIRS".

Eyes this way Baker!

Dear Advertiser,

In behalf of the staff of the 1971 Erica, the students, and the faculty of Heath High School, I say "Thank You" for advertising in our yearbook.

Your support to the yearbook, as well as to many other school activities, is deeply appreciated by all of us. Without your assistance, many of the things that we cherish would not be possible.

Editor's Thoughts:

The members of the 1970-71 Erica staff have done a great job in putting this yearbook together. Some things that we accomplished we can see, but others we cannot. This yearbook is an accomplishment that every staff member can look back on and say that he had a part in it. We made mistakes which we wish we hadn't made, but those are the things from which we learn.

Next year's staff has many new challenges. To Debbie Dixon and her staff I wish good luck on next year's yearbook.

In closing, I would like to extend my very best to the Class of 1971 in all their future endeavors.

Marc Guthrie
Editor

At the end of the year things got a little bit hectic and we had to work faster.

Erica

Kathy must have lost something.

If I only had my camera right now.

Rick and Sandy did a fine job of finding each other's mistakes.

1970-1971

Texas Oil and Mrs. Dixon
California fire and Apollo 13
Cancer and a Synthetic Gene
Black Panthers and Women's Liberation
The SST and the State of the Nation
Pakistan disaster and Ecuador
All this and much more
A year has come and a year has gone
A new age and a new dawn
Look to your neighbor and look ahead
For peace soon and a war that's dead.

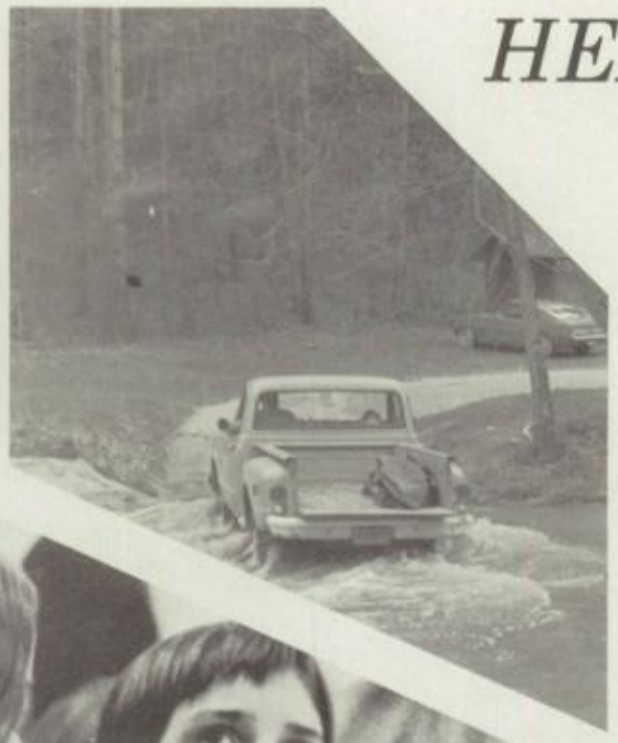
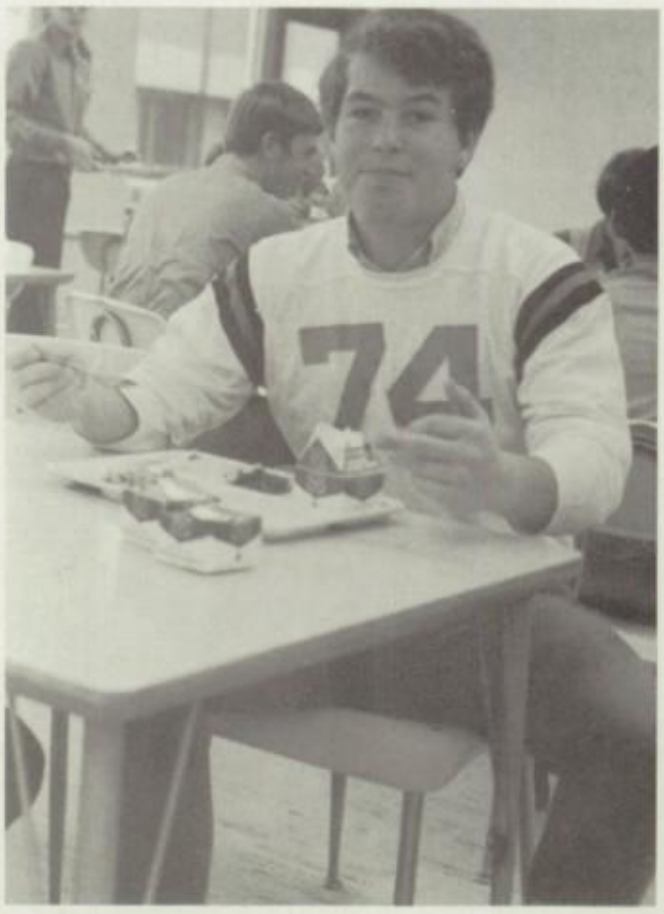
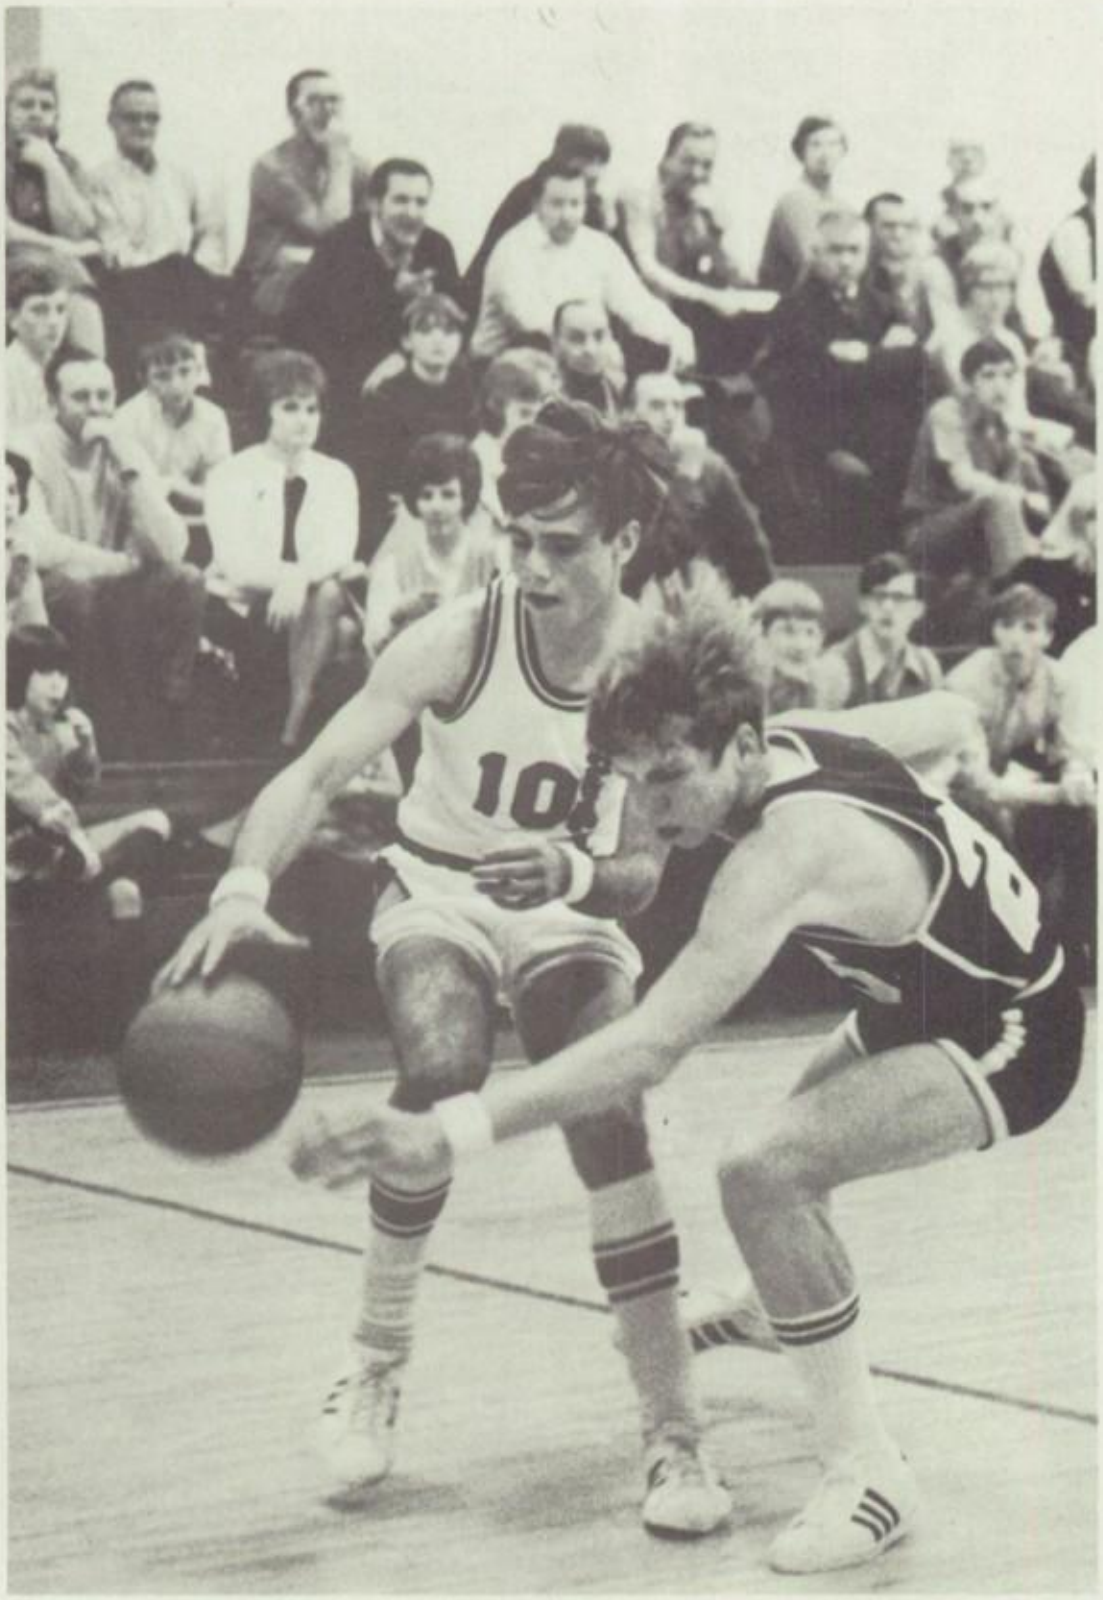
SCENES AT HEATH





This is how Mike gets psyched up for the big games.

Bulldogs back the Bulldogs!!

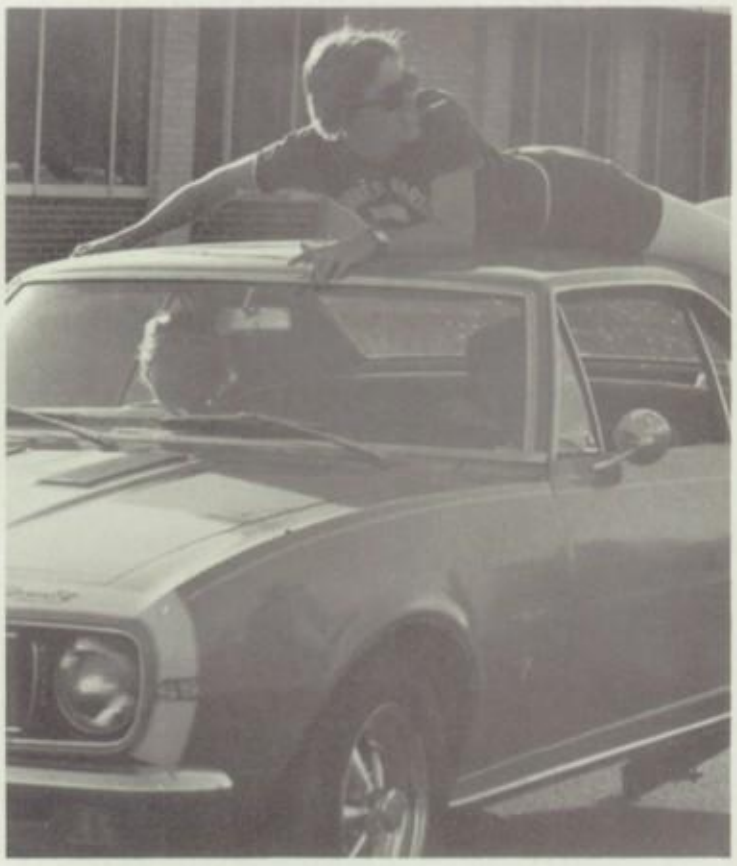


Thanks to Rick we could get the ball beyond the ten second line this year.

Andy Grandihanlon is ready for the Senior Regression Day "Tricycle 500".

Wow, did you lose something Miss Boggs?

Well it's still there!

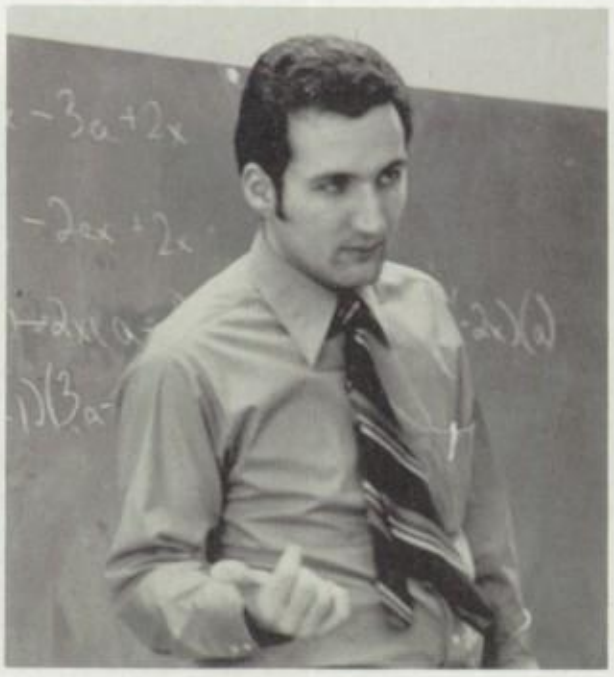


Not every school has its own clown.

Shooooooooot!

Some of our girls got a little waterlogged at R. O. E. camp this year.

Everyone seems to look innocent when Mr. Bowers comes down the hall.



If you don't understand me, you can just leave!

Mr. Crain must see Miss Allen passing by.

WOW!!

This is a sight that you see quite often if you attend many of our X-Country meets.

Mr. Brown got in awful late last night.

Getting ready for big dances wasn't always easy.

"Ten days or three guess whats!"

Miss Truex always had trouble getting her class to pay attention while she was lecturing.

Alright speech class, tomorrow we will all know THE RAVEN. Right class? Wake up class!

"I'm going to the library, how does my hair look?"

"Some of us got it and some of us ain't."

John does alright for himself after a game that he scores 26 points in.

"What did my Senior boys do this year?"

From the 1971 Erica Staff. . .
